When seeing other providers such as a chiropractor, acupuncturist or physical therapist, please let them know you are using your benefit for massage therapy (also called manual therapy). We would also like to contact your provider so you do not incur a bill. (Just 8 minutes of an electrical massage treatment will use one of your 20 one hour sessions.) Our therapists are paid \$140 for each session of medically prescribed therapy so it is important for us to stay up to date on other providers.
